For all the passed candidates, the relative grading principle is applied to assign the letter grades.

| Marks / Examination Status | Letter Grade | Grade Point |
|------------------------------------|------------------|-------------|
| Based on the relative grading | O (Outstanding) | 10 |
| | A+ (Excellent) | 9 |
| | A (Very Good) | 8 |
| | B+ (Good) | 7 |
| | B (Average) | 6 |
| | C (Satisfactory) | 5 |
| Less than 50 | U (Reappearance) | 0 |
| Successfully Completed | SC | 0 |
| Withdrawal | W | - |
| Absent | AB | - |
| Shortage of Attendance in a course | SA | - |

The Grade Point Average (GPA) is calculated using the formula:

$$GPA = \frac{\sum[(\text{course credits}) \times (\text{grade points})]}{\sum(\text{course credits})} \text{ for all courses in the specific semester}$$

The Cumulative Grade Point Average (CGPA) is calculated from first semester (third semester for lateral entry candidates) to final semester using the formula

$$CGPA = \frac{\sum[(\text{course credits}) \times (\text{grade points})]}{\sum(\text{course credits})} \text{ for all courses in all the semesters so far}$$

The GPA and CGPA are computed only for the candidates with a pass in all the courses.

The GPA and CGPA indicate the academic performance of a candidate at the end of a semester and at the end of successive semesters respectively.

A grade sheet for each semester shall be issued containing Grade obtained in each course, GPA and CGPA.

A duplicate copy, if required can be obtained on payment of a prescribed fee and satisfying other procedure requirements.
